Terms and Conditions or What you need to know

Place a text plus your link in the "Deleters List" by paying a fee of 50,- Euros or more.

If you pay more, your link will be pushed to the top of the list.

For each single Euro you pay, one tile of the first drawing will be deleted to display more of the second drawing.

You cannot change the text/link after it is published, so you must be sure of the text/link you want on the homepage, which will be there for at least one year.

The only exception is if you have a strong reason why you need a change to your image/link, eg. your site no longer exists, major structural change to your site, lawsuits, etc. In this case we will charge a fee of 10 Euro for the change.

If your text/link are accepted and published on the homepage, you cannot get a refund.

The site and homepage will be online for at least 1 year after the last tiles are deleted, but possibly even longer.

No obscene/offensive/adult text/links will

be accepted, and i decide what is appropriate for the site.

If you submit a text or link that is rejected, you will have the opportunity to provide an alternative, otherwise you will lose your place. We can not refund little money amounts, so wait a confirmation before you send the money.

If your link is accepted and you later change the content of the linked site to show offensive/obscene/adult material then your link will be removed until you provide a new one, and you will not get a refund of any kind for the downtime. For a new link we will charge 10 Euro.

If for whatever reason in the future you want your text and link removed from the homepage, you can do that, but you will not get a refund and the space will become publically available again.

Links must be to web pages only and begin with "http://".

You must have the copyrights to provide the text/link for the website you submit.

Funds must be fully received and cleared before your modules go live on the homepage.

There might be occasional downtime for site but we'll try to keep these to a minimum.

Once you have ordered and the funds have cleared (eg. over PayPal or bank account), i will aim to get your text/link online within one week.

Tiles will be deleted from the edge to the center, so you can not choose the tiles to delete.
